Lynn McKenzie

Barrel Racing Clinic

"All for the Glory of God"

Friends:

There is a group of people from surrounding counties putting together a barrel racing ministry. We are working on our first, and hopefully annual, **"He Paid Your Fees" Lynn McKenzie Barrel Racing Clinic**. This clinic will be for youth barrel racers from ages 8 to 18. Our ultimate goal is to use this clinic as a ministry in which we will share the gospel of Jesus Christ in hopes of reaching those who are lost. Another goal is to provide these youth an opportunity to improve their barrel racing skills by participating in a one day clinic with World Champion Barrel Racer, Lynn McKenzie and her husband Murray. Just as Jesus paid our "fees" on the cross, we want to invite 40 youth to attend the clinic with their fees paid – in full. The only requirement for these participants is that they join us during our "He Paid Your Fees" Church Service. This will allow us to share God's word with them and their families.

In order for this ministry to be successful, we are depending on others in our communities who understand the importance and the need for this outreach. We are looking for individuals, families, local churches, businesses, etc., who can sponsor one of these youth barrel racers for this event. The clinic will be held at Lone Hickory Indoor Arena in Yadkinville, NC on September 10th and 11th, 2011. Each day will be a separate clinic involving 15-20 students, with a maximum of 40 youth being invited to attend one of the two days. The cost per student is \$200.00. Anyone who sponsors a youth or gives a contribution towards a sponsorship will become an important part of this ministry. We will all be rewarded as 1 Corinthians 3:8 and Revelation 22:12 promise us.

I attended my first Lynn McKenzie clinic when I was 12 years old, and I still remember her message and testimony. It was then I realized barrel racing was not a one man sport – it was a team that included myself, my horse, and most importantly God. I learned I could hand over my reins to God, both in the arena and in life, and that I would never ride alone. I took the sport I loved and made a connection between life and God. We all have stepping stones in our lives that sometimes determine which path we will choose to travel. I know that clinic was a stepping stone in my life that sent me down the right path.

Over the last 28 years, I have seen many lives saved and rededicated through Lynn and Murray's ministries. Witnessing how obedient they are to their Lord and Savior, and understanding the spiritual blessings I have received from them, gives me a strong desire to give every youth barrel racer an opportunity to attend their clinic. If you would like to be a part of this ministry, it will truly be a blessing to all who are involved. Thank you for your time and consideration. Please be in prayer for this ministry.

All for the glory of God,
